Minutes
November 14, 2018

Chairman Anhalt called the meeting to order at 6:02pm. Anhalt, Grove, and Voeck present. Anderson and Moermond not present.

Review and consider correspondence re: Ice Rink on Happy Valley Road:

After plenty of discussion, Committee decided to not take the ice rink boards to the Park until we get some volunteers are willing to setup and maintain the ice rink due to the former volunteers no longer being interested in doing so. Grove made the motion, Voeck seconded, motion carried.

Discuss other parks related issues/concerns/ideas:

Towns Public Works staff has made a lot of progress on Parks improvements since the previous committee meeting, however, other issues are still unresolved. A list of issues are to be given to staff to review and make note of progress. This list will be reviewed at the next committee meeting. No formal action taken.

Committee members will remain: Chair Anhalt, Anderson, Grove, Moermond, and Voeck (who was appointed earlier this year to take Krachy's spot). Motion made by Grove, seconded by Voeck, motion carried.
