Minutes
February 4, 2019

Chairman Schwartzter called the meeting to order at 5:31pm. All members present.

Public comment: None.

Review and consider a CSM land division for parcel #0911-161-8700-2, located across the street and to the west of 7324 Wilburn Road:

Randy Marten explained what he would like to do with the property and gave a presentation. He would be willing to deed restrict houses to be built in a certain area, to build additional trees as a buffer to sightlines from other houses. Neighbors expressed concerns that 3 houses would cause too much noise and traffic, and would diminish wildlife and water quality. Rogers made the motion to recommend to the Town Board to deny the land division, Faber seconded, motion carried 6-1.

Willison made the motion to adjourn, Ringelstetter seconded. Motion carried and meeting ended at 6:44pm.
