

Town of Bristol
Parks & Rec Committee Meeting
Minutes
April 10, 2019

Supervisor Grove called the meeting to order at 5:32pm. All members present except Anhalt.

Review and consider the parks issues/status list:

Parks issues list was reviewed and discussed, most items have either been completed, or are in progress. No action taken.

Review and consider water retention at Norway Road Estates Park:

Water retention issues were discussed. Committee directed Town Staff to contact Dane County and/or the WI DNR about water retention, our options, and how to proceed. Item will be brought back to the Committee for further discussion and consideration. No official action taken.

Discuss bike trails:

Plenty of discussion about bike trails, possible locations, obstacles to be worked out, etc. No action taken, will be discussed again at a later date.

Discuss future meetings and agendas:

If necessary, the Parks & Rec Committee will have a meeting on Wednesday, May 8th at 5:30pm.

Anderson made the motion to adjourn, Voeck seconded, motion carried and meeting ended at 7:02pm.
